

Powering a healthier Dallas/Fort Worth

From its pride in its sports teams to its diverse neighborhoods, Dallas/Fort Worth has a character all its own. We understand this because it's our home, too—home to our state-of-the-art lab in Irving and our esoteric lab in Lewisville. We enable better access to testing for patients from Granbury to Greenville and throughout the metroplex, and our sales team across the Dallas/Fort Worth region understands the specific needs of the medical community.

2 main labs
2 rapid response labs

60 Patient Service Centers

40B+ patient data points

1,577 Dallas/Fort Worth employees

You and your patients benefit from:

- 1. Superior access and value—**
with convenient locations and broad health plan coverage
- 2. Superior lab experience—**
with pricing transparency, online scheduling, EMR connectivity, and rapid, reliable turnaround time
- 3. Superior infrastructure, access to expertise, and data-driven quality—**
for greater confidence

With **60 Patient Service Center locations** across the Dallas/Fort Worth area, including select Walmart and Tom Thumb locations, we can help you meet the diverse testing needs of your patients, offering better access, expertise, and value.

Supporting you and your patients with advanced testing, access, and health plan coverage
